

5:30 RUNS

Dear Parent or Guardian:

This is going out to you so that you will be aware how the 5:30 bus runs work. The bus only drops off at the nearest corners as there are 3 buses covering the school district at this time of night.

Times do vary for these runs as we are not sure how many students will be on the bus each night. For your children's safety we encourage parents to be at the location of drop off. If the bus goes by your house on its route at night then we will gladly drop them off at the door.

Three buses will drive loop runs, and will drop students at home if they go by the house or at the closest corner to their home.

One bus will load at the TRA and leave that school at 5:30 p.m., and then will proceed to the Senior High and leave at 5:45 p.m.

These routes are as follows:

ROUTE 1 Hickory Street, Route 79 East to the Barker town barn (Itaska), turning around at barn, Route 206 to Wheelbarrow Ave. around the block to South St., to North Street (Triangle) to Hemlock Hill to Route 26, back to Whitney Point.

ROUTE 2 Route 11 South to Glen View Drive, back over Dunham Hill Road to Route 26 back to Whitney Point.

ROUTE 3 Main Street in Whitney Point to Park Street, Route 11 & 79 toward Lisle, Route 79 to Hunts Corners Rd. (white church), Go up Yorkshire Rd., back onto Rt.79, turn around at fruit stand on left, Caldwell Hill Road – drop at Dudley Creek Diner in Center Lisle). to Nanticoke, over either Rabbit Path or Cherry Valley to Route 26 back to Whitney Point.(alternate between Rabbit Path and Cherry Valley

Thank you for your time and consideration for the safety of our students.

Whitney Point Transportation Department 607-692-8230, revised 7/21/16
