

Caryl E. Adams Primary School March 2017

Breakfast and Lunch:

Student Breakfast - Free

Student Lunch - \$2.50

THANK YOU PTA!!

Our PTA organization provides a variety of events for our students and teachers throughout the school year. Most recently, a formal dance that was just magical, a mother/son event that was tons of fun, and a movie night is planned for this month. The PTA also sponsored our recent PARP celebration. Each year they recognize and show appreciation for our teachers. This is a wonderful partnership for parents and teachers working together for our school! Are you a member?

Beddy-Bye Storytime is March 22nd:

We are hoping to make it a PARENT reader night! We will need three or four parents who would like to share their favorite read aloud story with our students. If you have a favorite but do not have the book, let us know and we will find it for you! If you are willing to share on this special evening for our students, please call our office and let us know. This is our last story time for the school year and a favorite event for our students!

No School for students

March 16

Superintendent's Conference Day

The Family Fun Carnival is March 17th!

No better fun anywhere! Bring the whole family! Fun, inexpensive carnival games with prizes, food, and baked goods. All proceeds support our annual field trips.

We appreciate all your efforts in providing snacks for our students. The days can feel long and we know our students are growing and need a bit more when it is a longer time to lunch or dismissal. Please continue to make healthier choices rather than chips, candy, cookies, etc. Help them think of it as their "brain food!"

Morning Program this month:
March 12 - Family Fun Carnival
March 26 - Penelope is coming!

School Safety:

We will be experiencing one of our quarterly emergency drills this month. We also offer this reminder that in the interest of student safety and to avoid any confusion, all bus changes must be made in writing. Bus changes must be communicated in the morning so all involved can be notified. We encourage families to create a "Plan B" for those rare days when you can not be home to meet your child due to unexpected circumstances. Thank you for your help with this!

Our March Word of the Month is Respect
