June 2016

Dear Whitney Point Community,

I would like to thank the community for their continued support in passing the 2016-2017 school budget. We would also like to welcome our newly elected Board of Education member, Michele Coleman, and thank Sara Benscoter for 12 years of service and her leadership as Board of Education President.

I would also like to recognize four teachers who are retiring this year and thank them for their dedication to our students and community. If you see Cynthia Ford, Pamela Soeffing, Kathy Sofka or Chris Ruggier, please let them know how much they are appreciated!

Graduation time is here and we congratulate all the students who will be graduating on June 24. For those of you attending graduation, we will once again be streaming the ceremony in the auditorium. This effort will help to accommodate more people and provide a more comfortable setting for some of our guests who might find the gymnasium a challenging setting.

I hope you were able to take part in one or more of the amazing celebrations held in the district. It is truly amazing to see the many talents and level of dedication of our students and staff.

The first phase of our new capital project will begin on June 27. By the end of the summer, the Caryl E. Adams School will have a new roof. Due to the amount of construction and the noise involved, all summer school programs will be held in the high school.

Thank you for your continued and generous support. The children of Whitney Point truly benefit from your commitment to the Whitney Point Schools. Sincerely,

Patricia Follette, Superintendent

The Mission of the Whitney Point Central School District is to provide an excellent education ensuring that all children maximize their potential, become contributing citizens, and pursue lifelong learning.
