

Dear Whitney Point Community,

On May 21st, the Whitney Point Central School District budget passed with the highest percentage of “yes” votes in 10 years. The Board of Education and I would like to thank the community for their continued support!

Seniors are getting excited about graduation on June 21st. I recently attended a High School award ceremony and I am constantly impressed with the dedication of our faculty and the amazing accomplishments of our students.

My first year as Superintendent of the Whitney Point Central School District is coming to a close and I would like to once again take the opportunity to thank you for allowing me to become part of your community. It has been a pleasure getting to know so many of you and serving as the educational leader of the district.

The Vision of the Whitney Point Central School district is to become a community of excellence achieved through HIGH performance, morale, and involvement. This vision statement developed by the Board of Education last summer continues to guide our work in the district as we continually strive to improve.

As we head into the month of June, I look forward to seeing you at the many end-of-the year activities. Don't miss the Annual Ice Cream Social and District Art Show on June 5th!

Sincerely,

Patricia Follette

Superintendent
