

# SAFETY DRILLS

A minimum of three safety drills are conducted each school year. Bus safety drills are done on school buses and are required by the education law.

This includes practice and instruction in the location, use and operation of the emergency door, fire extinguishers, first-aid equipment and windows as a means of escape in case of fire or accident.

Drills also include instruction in safe boarding and exiting procedures with specific emphasis on when and how to approach, board, disembark, and move away from the bus.

Drills include instruction in the importance of orderly conduct by all school bus passengers because ...
