

Dear Whitney Point Community,

I would like to thank the community for their support in passing the 2013-2014 school budget! On May 20th, voters approved the district budget 233-98 and also supported the establishment of a capital reserve fund. This fund will allow us to continue our careful stewardship of the district's facilities.

The end of the school year is around the corner and this past weekend high-school students enjoyed attending the prom and after-prom party. Seniors are getting excited about graduation on June 27th and we are looking forward to recognizing their many accomplishments. I hope that you are able to join us for one or more of the many celebrations held in all the schools at the end of the year.

My second year as Superintendent of the Whitney Point Central School District is coming to a close and I would like to once again take the opportunity to thank you for allowing me to become part of your community. It has been a pleasure getting to know so many of you and serving as the educational leader of the district.

The vision of the Whitney Point Central School district, "To be a community of excellence achieved through a commitment to HIGH performance, morale, and involvement" has helped the district stay focused throughout the year. As we move into the final weeks of the 2013-14 school year, we continue to keep our vision in the forefront and use it to guide our work as we develop new goals and strategies to address the challenges of the coming year.

If I do not see you at one of our exciting end of the year events, I hope you have a wonderful summer!

Sincerely,

Patricia Follette

Superintendent
